This was the list of **Swadeshi Product list** vs. Bideshi, thus always try and purchase Indian products as they would increase not only the sale but also raise the GDP of the economy. The significant benefit is that it affects the value of the Rupee against the Dollar. Now, your purchase will decide how much does the Rupee stand against Dollar.

All the Indian products are also good in quality, so from now on, opt for Swadeshi products and boycott foreign goods as much as possible.
