I am a sweet, romantic lady. I read, I am a good cook. I like to fish and I bait my own hook! I also like to veg out in front of the TV and watch movies sometime. I am not a bar hopper or a big drinker. Can't handle that. I want to meet someone with some of the same qualities.. I am a great cuddler. I am a good hearted woman and want to have fun in life. I am a very loving person and want to be with someone that can actually love in return not just say it but time will tell. I don't need it but I want it. There is a difference. I am fine with whom I am just want the right one to enhance it. Life is meant to share...The color of my eye is hazel. For my ethnic am Caucasian.. Also, my appearance am very attractive and am proud to talk about that. I am a Christian. For my personal traits, I am Serious, Kind, Confident, Smart, Responsible, Honest, Calm, Flexible, Elegant, Communicative, Sensitive, Gentle, Cheerful, Optimistic and Romantic. And am looking for a kind a loving man that i can spend the rest of my life with. If you are the right man then why don't you drop me a nice note

My desire is to meet a handsome, sensitive, sensuous, warm, assertive single woman who wants a friend. My interpretation of a friend is one to whom you can pour out all the contents of your heart, chaff and grain together, knowing that the bountifulness of hands will take it all, shift it, keep that which is worth keeping and, with a breath of kindness, blow the rest away. I am looking for a special, loving relationship with a unique character. A man who is affectionate, handsome, with a shapely figure, sincere, easy going, with interests and characteristics similar to mine and even closer. Someone who wants a meaningful, serious, long-term relationship, not just a few dates

I am a kind, trustworthy, intelligent, and fun loving person. I have been told that I have a good heart, a good sense of humor, and that I am a very understanding. I am looking for someone special to share the rest of my life with.
