

# List of B.Sc. Courses in India

Below, you can check the list of 150+ B.Sc. courses with course duration. You can select your course as per your preferences.

<b>B.Sc. Course Name</b>	<b>Course Duration</b>	<b>Learning</b>
B.Sc. In Digital Filmmaking	3 Years	2D Animation, 3D Modeling, Advanced Rigging, Visual effects VFX, Film Making, Production Design, Cinematography, Film Appreciation, Film Direction, Film Production, Film Editing, Screenwriting & Scriptwriting, Film Production Management, Digital Film Making
B.Sc. In Accountancy	3 Years	Accounting, Finance Techniques
B.Sc. In Actuarial Science	3 Years	Mathematics, Probability Theory, Statistics, Finance, Economics, Computer Science
B.Sc. In Advanced Zoology & Biotechnology	3 Years	Genetic Engineering, Statistical Application Wildlife Preservations, Microbiology, Tissue Culture Biotechnology, Clinical Laboratory Techniques, Environmental Issues
B.Sc. In Aeronautical Science	3 Years	Design, Development, Construction or Maintenance of the Aircraft's and Other Air Aerial Vehicles, Earth's Atmosphere
B.Sc. In Agriculture	3 Years	Agricultural Economics, Economics, Forestry, Agricultural Science, Animal Science, Plant

		Protection, Soil Science or Agricultural Engineering
B.Sc. In Airlines, Tourism & Hospitality Management	3 Years	Airlines Management, Tourism & Hospitality Management
B.Sc. In Anatomy	3 Years	Organs, Tissues, Structures of The Bodies of Humans, Animals, and Other Organisms, Human Evolution, Stem Cell Development, Genetics and Biodiversity
B.Sc. In Animation	3-4 Years	Computer Animation
B.Sc. In Animation & Visual Effects	3 Years	2D Animation, 3D Animation, Visual effects VFX, Computer Animation
B.Sc. In Animation Filmmaking	3 Years	2D Animation, 3D Animation, Film Making
B.Sc. In Animation, Game Design & Development	3 Years	Computer Animation, Game Design
B.Sc. In Anthropology	3 Years	Archaeology, Biological Anthropology, and Cultural Anthropology
B.Sc. In Applied Biotechnology	3 Years	Biochemistry, Immunology, Bio-Statistics, Plant Physiology, Seed Technology, Microbiology, Agriculture, Ecology, Cropping system, Animal

		husbandry, Crop Management, Soil Science, Soil Conservation, Health, and Medicine
B.Sc. In Applied Chemistry	3 Years	Nanotechnology, Drugs, New Materials, Computer-Designed Molecules, Bio-Transformations
B.Sc. In Applied Electronics	3 Years	Designing and Development of Instruments
B.Sc. In Applied Mathematics	3 Years	Mathematical Concepts and Theories Applied in the Real Life
B.Sc. In Applied Physics	3 Years	Fundamental Concepts Of Physics
B.Sc. In Applied Science	3 Years	Uses of Science in Modern Society
B.Sc. In Aquaculture	3 Years	Aquaculture Improvement
B.Sc. In Aqualogy	3 Years	Climate, Seas, and Land Surface
B.Sc. In Astrophysics	3 Years	Thermodynamics, Electromagnetism, Newtonian Dynamics, Waves, Optics, Modern Physics, And Pursue an Advanced Exploration of Atomic, Nuclear and Quantum Physics, Solid State Physics, Relativity, Quantum Physics, Fluid Mechanics
B.Sc. In Audiology & Speech-	3 Years	Audiology and Speech-Language Pathology

Language Pathology		
B.Sc. In Avionics	3 Years	Design, Development, Production, Operation and Maintenance of Aircrafts
B.Sc. In BioInformatics	3 Years	Natural Chemistry, Sub-Atomic Science
B.Sc. In Biochemistry	3 Years	Chemical Processes, Biological Process
B.Sc. In Biological Science	3 Years	Clinical Research, Pedagogy
B.Sc. In Biology	3 Years	Ecology, Biodiversity, Botany, Genetics
B.Sc. In Biostatistics	3 Years	Statistical Techniques
B.Sc. In Biotechnology	3 Years	Medicine, Technology, Engineering, Other Bio Products
B.Sc. In Botany	3 Years	Plants, Fungi, Algae
B.Sc. In Cardiac Perfusion	3 Years	Cardiothoracic, Vascular, Transplant Surgeries
B.Sc. In Chemistry	3 Years	Fundamentals of Chemistry, Chemical Processes

B.Sc. In Cinematography	4 Years	Cinematography
B.Sc. In Clinical Nutrition	3 Years	Clinical Research, Comprehensive Reviews, Case Observations
B.Sc. In Communication Design	3 Years	Visual Communication Design, Contemporary Art, Visual Design Studio, Consumer Interface Design
B.Sc. In Computer Applications	3 Years	Software or Computer Application
B.Sc. In Computer Science	3 Years	Technological Implementation of Computer Systems, Designing, Execution, Solving Issues, Programming
B.Sc. In Computer Science Statistics	3 Years	Computer Science, Mathematics, Physics
B.Sc. In Costume Design & Fashion	3 Years	Costume Designing, Fashion Design
B.Sc. In Direction	4 Years	Film Direction
B.Sc. In Dot Multimedia	3 Years	Multimedia

B.Sc. In Ecology	3 Years	Biological and Physical Characters of The Environment, Social and Cultural Factors, Human Impact on The Environment
B.Sc. In Economics	3 Years	Economics, Market
B.Sc. In Electronic Media	3 Years	Electronic Media
B.Sc. In Electronics	3 Years	Engineering Materials, Digital Electronics, Analog Electronics, Data Structure, Programming Languages, Quantum Mechanics, Mathematics, Statistics, Network Analysis, Fundamentals of Electronics, And Electromagnetic
B.Sc. In Electronics & Communication	3 Years	Analysis of Electronics, Computer Systems, and Communications,
B.Sc. In Environmental Science	3 Years	Ecology, Environment, Natural Resources Conservation, Pollution Monitoring and Control, Environmental Impact Assessment, and Environmental Protection Laws
B.Sc. In Fashion & Apparel Design	3 Years	Apparel Design, Fashion Design
B.Sc. In Fashion Designing	3 Years	Fashion Design, Drawing Studio, Design Theory, Visual Design Studio, Traditional Indian Costumes, History of Fashion, Fashion Retail, Meta Design Studio, Fashion Illustration, Garment Construction, Fashion CAD, Fashion Design

B.Sc. In Fashion Promotion & Styling	3 Years	Fashion Styling, Fashion Promotion
B.Sc. In Fashion Technology	3 Years	Fashion Technology, Fashion Design
B.Sc. In Filmmaking	3 Years	Film Making, Cinematography, Film Direction, Film Editing, Film Production, Sound Recording, Sound Designing
B.Sc. In Fire Safety & Hazard Management	3 Years	Fire Safety, Hazard Management
B.Sc. In Food Science & Nutrition	3 Years	Biological and Chemical Composition of Food, Nutrition
B.Sc. In Food Sciences	3 Years	Protection, Preparing, Selection, Distribution, And Utilization of Nutritious Food
B.Sc. In Food Technology	3 Years	Food Science and Technology
B.Sc. In Forensic Sciences	3 Years	Forensic Pathology, Psychiatry, Psychology, Forensic Medicine and Odontology
B.Sc. In Gaming	3 Years	Game Design, Drawing, Web, Audio & Video Techniques
B.Sc. In Garment Manufacturing Technology	3 Years	Garment Manufacturing

B.Sc. In Gemology	3 Years	Jewellery Designs, Design, Identify and Test Gemstone
B.Sc. In General	3 Years	Science
B.Sc. In Genetics	3 Years	Genetics
B.Sc. In Geography	3 Years	Study of the Earth and Its Many Lands, Features, Inhabitants, And Phenomena, Besides Map and Geographical Imagery-Interpretation
B.Sc. In Geology	3 Years	Solid Earth, Rocks, Other Solid Structures, Minerals, Physical and Chemical Properties, Water Resources
B.Sc. In Graphics & Multimedia	3 Years	Computer Graphics, Multimedia
B.Sc. In Hardware & Networking	3 Years	Computer Hardware
B.Sc. In Home Science	3 Years	Home Science
B.Sc. In Hospitality & Hotel Administration	3 Years	Hospitality & Tourism, Hospitality, Hotel Management
B.Sc. In Hospitality & Tourism	3 Years	Front Office Operation, Hotel Housekeeping, Tourism Fundamentals, Ecotourism, Hotel

		Marketing, Banquet Management, Food & Beverage management
B.Sc. In Hospitality & Tourism Studies	3 Years	Hospitality & Tourism, Hospitality, Business Communication Skills, Tourist Guide & Tour Operation
B.Sc. In Hospitality Management	3 Years	Hospitality Management
B.Sc. In Hospitality Studies	3 Years	Business Communication Skills, Food Production, Room Division Management, Catering Science, Food & Beverage Service, Hotel Accounts, Strategy Management for Hospitality Industry, Financial Management, Entrepreneurship & Enterprise Management, Communication in English, Communication in French, French, Computer Basics
B.Sc. In Hospitality Studies & Catering Services	3 Years	Catering
B.Sc. In Hotel Management	3 Years	Hotel Management, Bar Management
B.Sc. In Hotel Management & Catering Operations	3 Years	Food Production, Food & Beverage Service, Hotel House Keeping, Catering Science, Hotel Accounts, Industrial Training, Computer Basics, Accommodation Operations
B.Sc. In Hotel Management & Catering Science	3 Years	Hotel Management, Catering Science

B.Sc. In Hotel Management & Catering Technology	3 Years	Hotel Management, Catering Science
B.Sc. In Hotel Management & Culinary Arts	3 Years	Hotel Management, Culinary Arts
B.Sc. In Industrial Chemistry	3 Years	Biochemistry, Biotechnology, Genetic Engineering
B.Sc. In Industrial Science	3 Years	Business Statistics, Business Mathematics, Internet, Microsoft Project
B.Sc. In Information Technology	3 Years	Information Technology, Computers
B.Sc. In Interior Architecture & Design	3-4 years	Visual Design Studio, Drawing Studio, Geometry: Curves & Surfaces, History of Art, Design & Architecture, Interior Design Studio, Meta Design Studio, Design Art, Contemporary Art, Lighting Design, Economics of Design
B.Sc. In Jewellery Design	3 Years	Jewellery Design, Design Theory, Drawing Studio, Visual Design Studio, Traditional Indian Costumes, History of Fashion, Meta Design Studio, Jewellery Management
B.Sc. In Knitwear Design	3 Years	Knitwear Design, Design Theory, Drawing Studio, Visual Design Studio, Traditional Indian Costumes, History of Fashion, Meta Design Studio

B.Sc. In Life Sciences	3 Years	Plants and Animals
B.Sc. In Management & Information Technology	3 Years	Software Development, Information Systems, It Service Management, Introduction to Business Information Systems, Developing Business Information Systems
B.Sc. In Mass Communication & Journalism	3 Years	News Journalism, T.V Journalism, Radio Journalism, Lifestyle Journalism, Photo Journalism, Sports Journalism, Crime Journalism, Political Journalism, Cyber Journalism, News Writing, Reporting
B.Sc. In Mass Communication, Advertising & Journalism	3 Years	Mass Communication, Media, Advertising, Journalism
B.Sc. In Mathematics	3 Years	Quantity, Structure, Space, Computer Science and Statistics
B.Sc. In Media Graphics & Animation	3 Years	Computer Graphics, Computer Animation
B.Sc. In Medical	3 Years	Medical
B.Sc. In Medical Lab Technology	3 Years	Medical Lab Technology
B.Sc. In Medical Radiography & Imaging Technology	3 Years	Human Body Parts, Organs, Clinical Purposes, Physiology

B.Sc. In Microbiology	3 Years	Mycology, Bacteriology, Virology, Parasitology
B.Sc. In Multimedia	3 Years	Multimedia Design
B.Sc. In Multimedia & Animation	3 Years	Multimedia, Computer Animation
B.Sc. In Multimedia Technology	3 Years	Multimedia Technology
B.Sc. In Nautical Science	3 Years	Nautical Science
B.Sc. In Non-Medical	3 Years	Physics, Chemistry, Mathematics
B.Sc. In Nursing	4 Years	Health Sciences, Medical
B.Sc. In Nutrition	3 Years	Nutrition
B.Sc. In Nutrition & Dietetics	3 Years	Nutrition and Dietetics
B.Sc. In Optometry	3 Years	Clinical Skills, Diagnose, Treat, Manage Diseases, Visual System Using Lenses, Optical Aids

B.Sc. In Physical Education	3 Years	Bodily Development, Strength, Physical Coordination, Agility
B.Sc. In Physical Sciences	3 Years	Natural Science
B.Sc. In Physics	3 Years	Physics
B.Sc. In Physiology	3 Years	Cellular, Tissue, Organ
B.Sc. In Plant Biology & Plant Biotechnology	3 Years	Plants, Algae, Fungi, Agricultural, Chemical, Pharmaceutical
B.Sc. In Product Design	3 Years	Visual Design Studio, Geometry: Curves & Surfaces, Drawing Studio, Product Business Plan, CAD Modelling, Industrial Design Studio, Digital Representation, Meta Design Studio, Holistic Ergonomic, History of Art, Design & Architecture, Design Sustainability
B.Sc. In Psychology	3 Years	Conflict Resolutions, Motives, Reactions, Feelings, Crisis Management, Group Thinking, Motivation, Nature of the Mind
B.Sc. In Renewable Energy	1 Year	Renewable, Clean Energy, Energy Management
B.Sc. In Social Sciences	3 Years	Social Sciences

B.Sc. In Statistics	3 Years	Statistics
B.Sc. In System & Network Administration	3 Years	Computer Hardware, Networking, Internet, Hardware Troubleshooting, Wi-Fi
B.Sc. In Textile Designing	3 Years	Textile Designing
B.Sc. In Tourism & Hospitality Management	3 Years	Hospitality Management, Tourism Management
B.Sc. In VFX	3 Years	Visual effects VFX
B.Sc. In Visual Communication	3 Years	Visual Communication
B.Sc. In Visual Effects Filmmaking	3 Years	Visual effects VFX, Film Making
B.Sc. In Visual Media	3 Years	Computer Fundamentals, Adobe Photoshop, CorelDRAW, Adobe Illustrator, Adobe InDesign CS6, Adobe Flash, Adobe Premiere, Sound Forge, Autodesk 3D Max, Visual effects VFX
B.Sc. In Zoology	3 Years	Quantitative Biology, Invertebrates, Cell Biology, Animal Physiology, Genetics, Structural Biology, Biostatistics, Environmental Physiology, Developmental Biology, Computations in Life Sciences, Immunology, Microbiology, Biotechnology

B.Sc. In Actuarial Science	3 Years	Insurance Investment, Financial Planning, Management
B.Sc. In Architecture	3 Years	3D Modelling, Design,
B.Sc. In Athletic Training	3 Years	Athletic Training
B.Sc. In Biology	3 Years	Taxonomy, Life Science, Organism, and their Functions
B.Sc. In Business Administration	3 Years	Business Administration
B.Sc. In Chemistry	3 Years	Chemical, Atomic chemistry
B.Sc. In Civil Science	3 Years	Design, Architecture
B.Sc. In Clinical Laboratory Science	3 Years	Clinical, Laboratory Science
B.Sc. In Cognitive Science	4 Years	Cognition
B.Sc. In Computer Science	3 Years	Computer Science, Computer Languages, Computer Technology

B.Sc. In Construction Management	3-4 years	Construction Management
B.Sc. In Criminal Justice	3 Years	Social Control, Deterring, Mitigating Crime, Sanctioning
B.Sc. In Criminology	3 Years	Laws, Criminal Cases
B.Sc. In English Literature	3 Years	English, Vocabulary
B.Sc. In Environmental Science	3 Years	Environment, Environmental Problems
B.Sc. In Environmental Studies	3 Years	Physical Sciences, Commerce, Economics, Social Sciences
B.Sc. In Foreign Service	3 Years	Foreign Service
B.Sc. In Forestry	4 Years	Fuel Wood, Wildlife Habitat, Natural Water Quality Management, Recreation, Landscape and Community Protection, Employment, Aesthetically Appealing Landscapes, Biodiversity Management, Watershed Management, Erosion Control
B.Sc. In Marketing	3 Years	Product Management, Marketing

B.Sc. In Medical Microbiology	3 Years	Microbiology
B.Sc. In Meteorology	3 Years	Meteorology
B.Sc. In Microbiology	3 Years	Microorganisms, Unicellular, Multicellular, Acellular
B.Sc. In Molecular Biology	3 Years	Chemical Substances, Genetic Differences on Organisms, Molecular Underpinnings
B.Sc. In Neuroscience	3 Years	Nervous System
B.Sc. In Nursing	4 Years	Nutrition, Physiology, Psychology, Physical Health, Mental Health
B.Sc. In Physical Therapy	4 years 6 Months	Physical Therapy
B.Sc. In Physics	3 Years	Analytical Thinking, Mathematical Modelling, Physics
B.Sc. In Plant Science	3 Years	Plants, Fungi, Algae
B.Sc. In Podiatry	3 Years	Diagnosis, Medical, Surgical Treatment
B.Sc. In Politics	3 Years	Politics

B.Sc. In Psychology	3 Years	Psychiatrists, Biological Substrates, Psychology
B.Sc. In Public Safety	3 Years	Public Security
B.Sc. In Radiologic Technology	3 Years	Radiologic Technology
B.Sc. In Real- Time Interactive Simulation	4 Years	Real-Time Interactive
B.Sc. In Respiratory Therapy	3 Years	Respiratory Therapy
B.Sc. In Software Engineering	3 Years	Software, Computer Language
B.Sc. In Sports Management	3-4 years	Sports
B.Sc. In Statistics	3 Years	Statistics
B.Sc. In Interior Design	3-4 year	Computer fundamentals Art & Architecture, Interior Design, Graphic Design
