## About Greycaps

The TCS IT Wiz quiz book is researched by team Greycaps.

Greycaps India Private Limited is the largest onstage quizzing and knowledge services company with prominent presence across India, the Middle East, Singapore, United Kingdom, Sri Lanka, Japan and USA. Greycaps is known for creating knowledge solutions for corporate houses such as Tata Sons, Infosys, Aditya Birla Group, ITC and Economic Times, to name a few. From creating quiz based alternative tools for educational institutions to powerful and engaging awareness enhancement programs, Greycaps has always been at the forefront of innovation. Greycaps is headed by noted quizmaster Giri **Pickbrain** Balasubramaniam.

Greycaps is also the creator of the popular Global Awareness Program, popularly known as GAP, in schools across India. This is a unique GK program built into the school timetable.

Greycaps has been associated with Tata Consultancy Services since 1999, when the IT Quiz was launched.

All rights are reserved by Tata Consultancy Services. No part of this publication may be produced or transmitted, in any form or by any means, without prior permission.

The book has NO commercial sale value and is being distributed free to the participants of IT quiz shows organised by Tata Consultancy Services.

Tata Consultancy Services (TCS), the growth and transformation partner to global companies, continuously invests in re-skilling and up-skilling its workforce to be future ready. As part of this commitment, TCS has trained more than 3,16,000 employees in acquiring new digital skills.

Broadening its commitment beyond employees, TCS has pioneered community education and up-skilling initiatives for young minds that are empowering more than two million citizens globally.

TCS IT Wiz is one such platform that provides young participants the opportunity to enhance their learning and knowledge in an out-of-classroom environment. Over the last two decades, the size, scale, design and the lasting impact of TCS ITWiz has continued to grow.

We at TCS are very proud to have developed this exciting, gamified learning platform which channelises the curiosity and creativity while encouraging students to adapt, excel and be future-ready.
